Dear Friend of Cascades Academy,

At Cascades Academy our mission is to develop the full potential of our students through our engaged community, challenging academics, experiential learning, critical thinking, and creativity. Our students thrive in small classes and through shared experiences within the school.

Year after year, we hear from Cascades Academy students, parents, grandparents, faculty, staff, alumni, and friends that the engagement and dedication of our school community is one of the most powerful pieces of the Cascades Academy experience. Or, as one parent last year wrote, "It's so much fun to be part of a joyful, supportive, and exciting community. It's like being in a healthy, loving home."

One of the primary ways that we are able to fulfill the mission of the school is through a successful Auction. Like most independent schools, the auction, along with the Annual Fund, is the foundation of our fundraising efforts. Dollars raised at the auction help balance the school's operating budget and go to work immediately, providing the flexibility to allocate resources to the urgent needs and priorities of the school. As an independent non-profit school, Cascades Academy does not receive any federal or state funding. Approximately 40% of our students receive financial aid – a testament to our dedication to providing every student with the opportunity for a challenging, experiential education.

This year's event will be held on Saturday, February 23, 2019. We invite you to consider supporting this worthwhile event through a donation. As true as it is that "it takes a village" to raise a child, it is likewise true that, as an independent PK-12 school, Cascades Academy is dependent upon the financial support of our community to fulfill the promise we make to our students.

Thank you for your consideration and please feel free to contact me directly with any questions you may have.

Sincerely,

Kathleen McHugh
